

Innovate, commercialize - or else.

AVAC INVESTING IN INNOVATORS 2010 EVENT

**the choice is yours, innovate
or risk becoming extinct**

please join us for an exciting afternoon at our annual reception and feature speaker presentation

This interactive event will inform you about AVAC, our performance over the last year and the exciting new opportunities we have realized. Meet and network with AVAC investees who have taken the leap to innovate and commercialize. Visit their booths and hear more about their exciting products and services. For anyone with an interest in Alberta's value added agribusiness, information and communication technology, this event is one you will not want to miss. Join us!

scar tissue all the way down: vc 2.0, and the rise of the super angel

Come and hear renowned investor, speaker, writer, media guy and entrepreneur, Paul Kedrosky. Paul will give advice to angels who want to invest and entrepreneurs who want to innovate and commercialize.

Paul Kedrosky

Editor of Infectious Greed, CNBC Contributor

Paul Kedrosky is an investor, a CNBC regular, and the editor of Infectious Greed, one of the most popular financial blogs in the world. He's an authoritative voice at the nexus of finance, technology and energy. Kedrosky's singular genius is his ability to take important but often impenetrable financial information and make it resonate with as wide an audience as possible, from CEOs to online investors.

With a Ph.D. in the economics of technology and a Masters in finance, Kedrosky was one of the first technology equity analysts at a major brokerage firm. He's an active investor in public and private equities, with more than fifty early stage investments. A brilliant economist, armed with a frank disposition, a large vocabulary, and an ability to both entertain and enlighten, Kedrosky appears regularly in The New York Times and The Wall Street Journal and on ABC's Nightline and PBS's NewsHour.
